

Church and Position Descriptions

North Shore Community Baptist Church is a community of believers on the North Shore of Boston with an average Sunday morning attendance of about 400. The church is affiliated with the Baptist General Conference and consists of people from a dozen area communities as well as from nearby Gordon College and Gordon-Conwell Theological Seminary. Our two morning worship services blend contemporary and traditional music. We see our growing small group ministry as central to our church's future. Other strengths include global missions, pastoral leadership, facilities, well-balanced age-distribution and caring for one another in times of need. In a recent survey, our congregation indicated a strong desire for growth in local involvement and outreach and more intentional discipleship. Our website is www.nscbc.org.

We are seeking a new Senior Pastor to replace our pastor of the past 19 years who is retiring next spring. A candidate for this position must have an MDiv or higher degree and a minimum 8 years relevant pastoral experience, including significant experience as a Senior Pastor. Ideally, a candidate's experience will have included pastoral ministry in a church of size comparable to ours. Our next Senior Pastor must have a firm commitment to biblical authority and a spirit consonant with our guiding statement: "embracing people with grace and truth." Our two most recent Senior Pastors have had ministries with us of 12 and nearly 20 years respectively, and we are seeking an individual desiring a similar long term ministry among us.

Candidates should send a resume, brief philosophy of ministry statement and doctrinal statement via email to pastorsearch@nscbc.org.
