Becoming a Church Who Walks in Wisdom

This Summer, let's continue to immerse ourselves deeply in the Scriptures by reading the Wisdom Literature which offers practical guidance for how to live wisely in the world that God has made. By reading 1-2 chapters a day, six days a week, for 12 weeks, we'll read through all of Proverbs, Ecclesiastes, Song of Solomon, and Job!

Questions for reflection:

1. What does the passage show about God's character? What does it show about human nature and our need for God?
2. What does the passage show about the reality of the world God made and how to live wisely in it?
3. How might God be inviting you to respond to what you've read today? Is there: a thought to consider, an attitude to embrace, an action to take?
